for your hair

Deb,
did a good job
as V.P. these last
two years - its a pity
we can't get more people
involved in our class. Well
have a good summer and
I'll see you in the fall.

Doff.

Deb,
yearbook signing isn't one of my best assets, but I just want to say I was glad we became friends and hope we will stay that way. I enjoyed the year, well we finished through a lot & cheering and we've been helping me with thanks for helping me which I shouldn't and otherwise. bobk ... (P.S. beyond mention in a public yr. book) Have a good time at the beach, get a few freckles & some :). I'm sooo jealous.

Luff always,

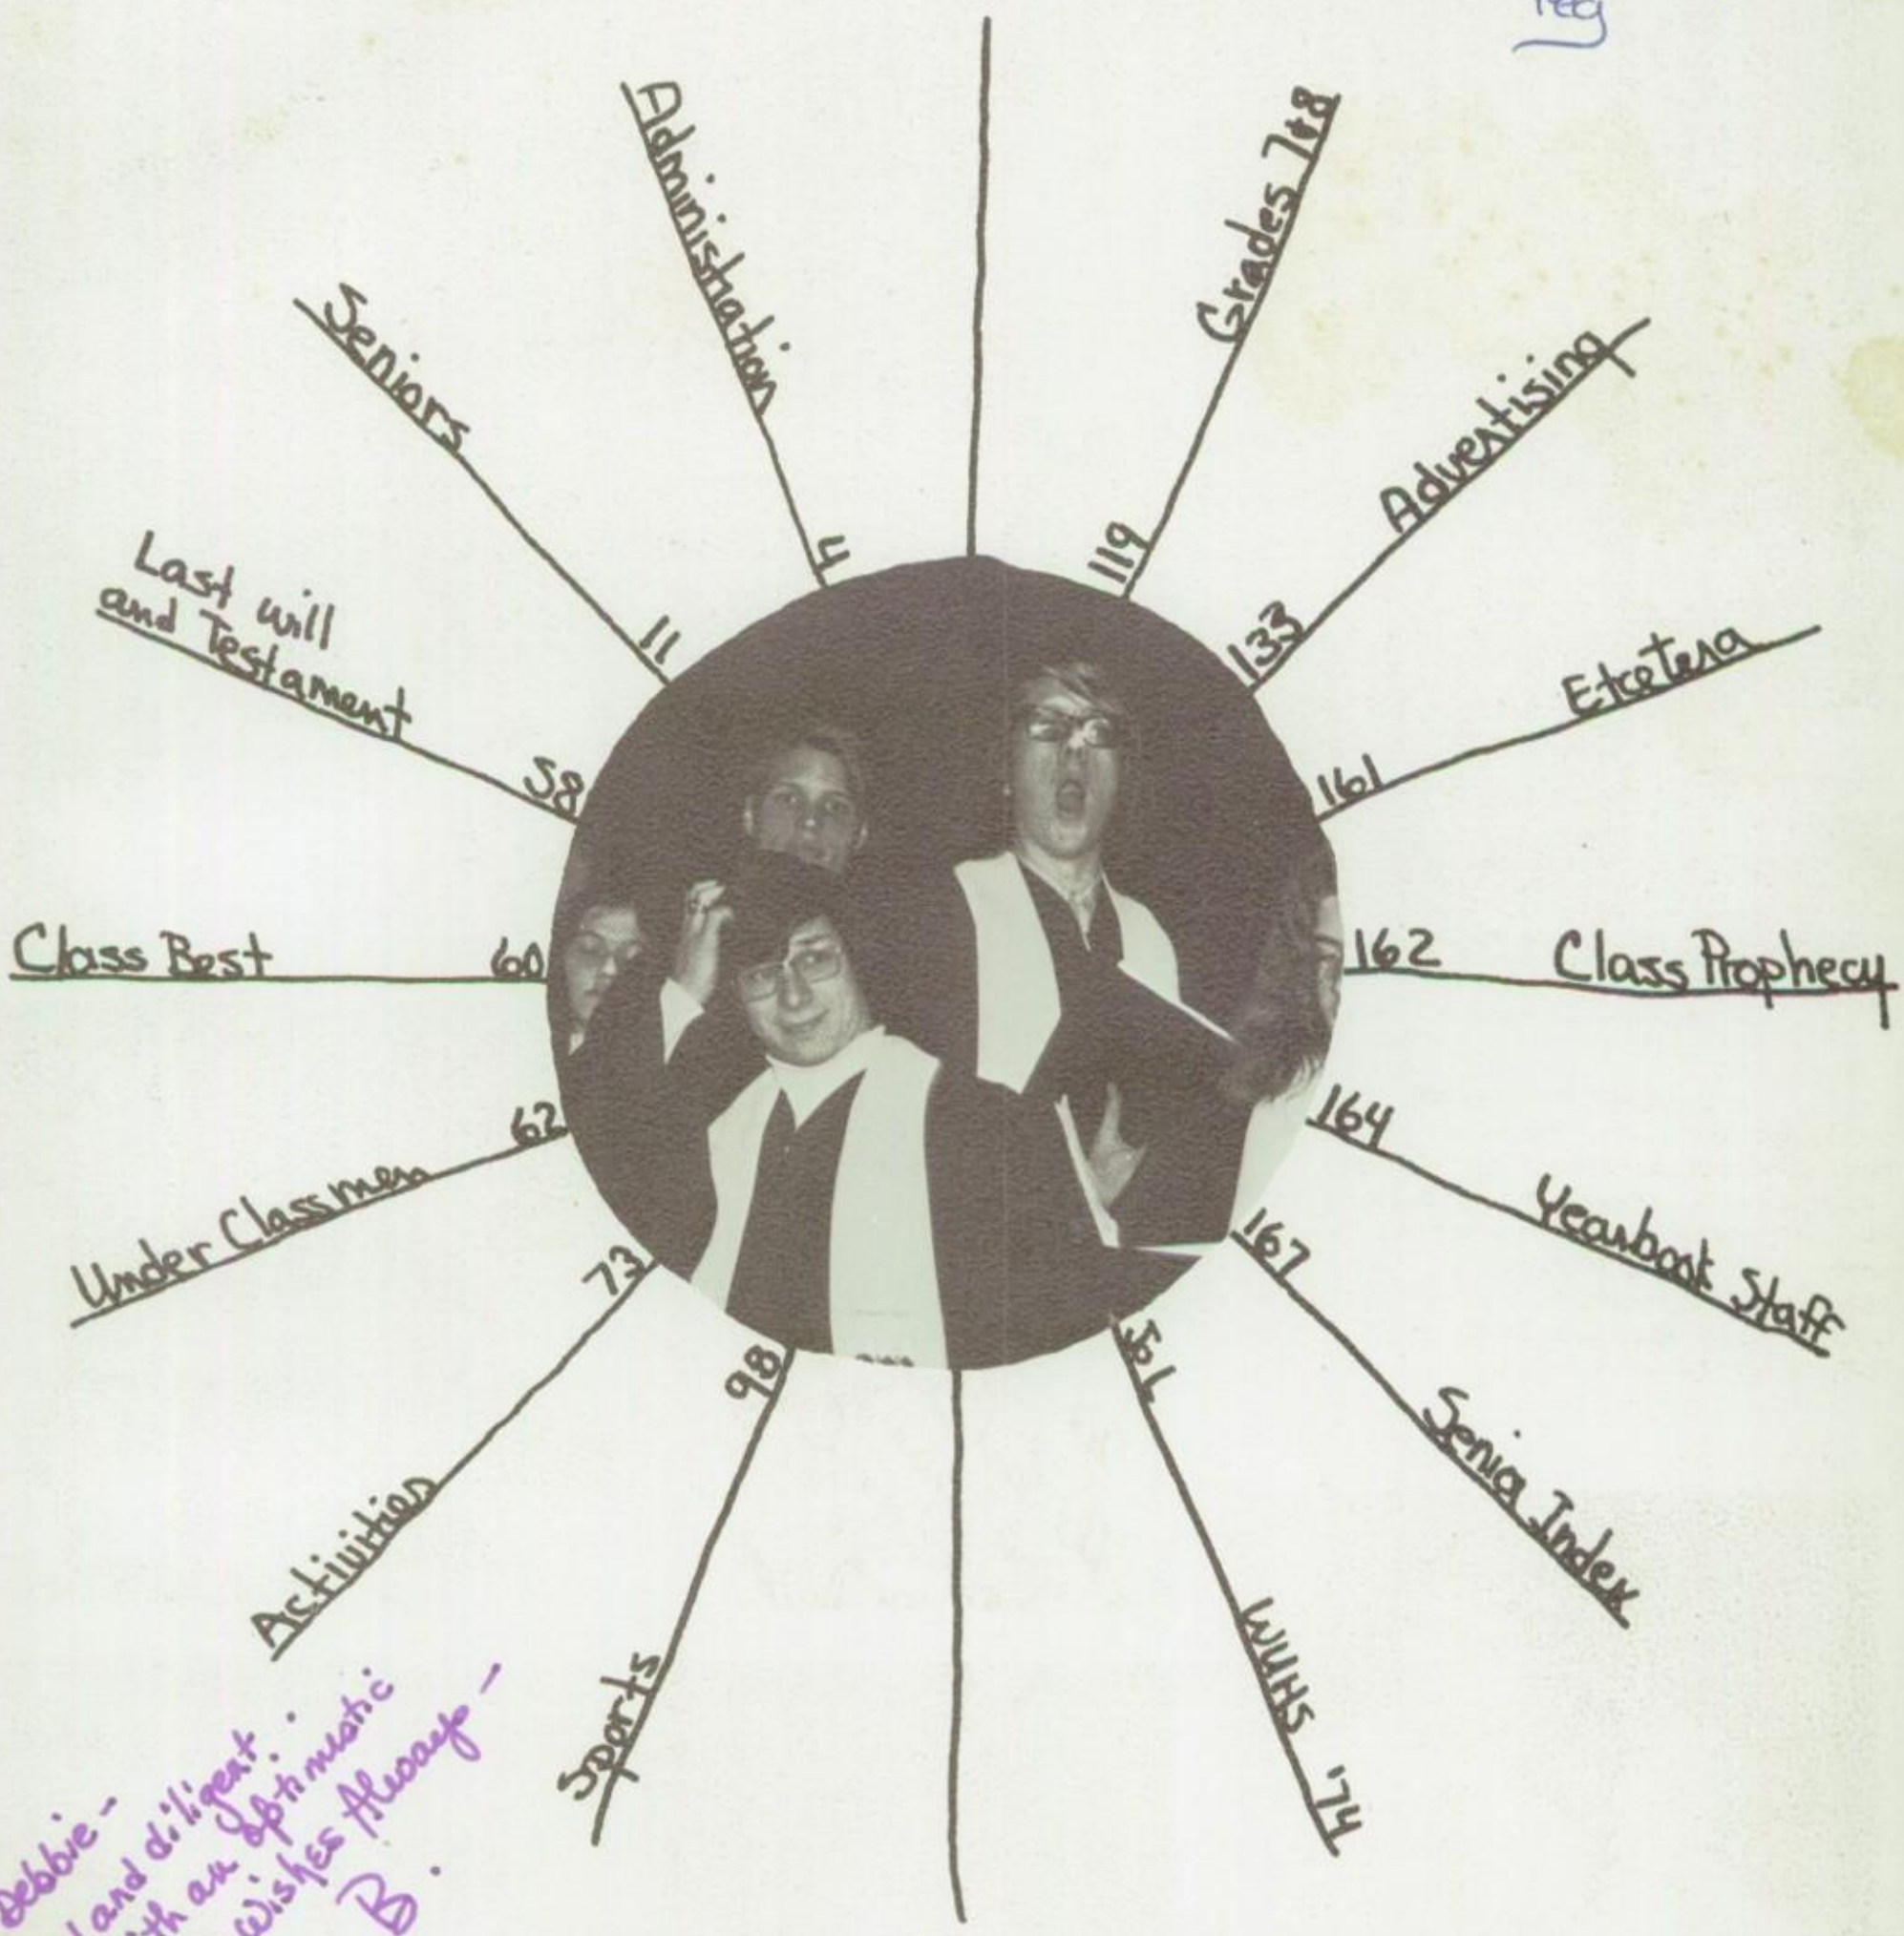
Dedication

We the class of 1974 proudly dedicate our yearbook to Mrs. Bromley. She has been our understanding Class Advisor through our four years of High School. Maybe what has been most appreciated is her never ending well of patience, even during our most trying periods. We will never be able to fully repay her for the time and effort she has given our class.

Deb,
I'm sorry to see you leave the vice-presidency. Have a good summer & don't get too tan or drunk.
Peg



To Debbie -
A hard and diligent worker with an optimistic outlook. Best wishes always -
Mrs. B.

Administration

My best wishes to the class of 1974. You have been a class of stable young people, and have been a credit to your school. You are entering a world in which stability has been all but forgotten. I am confident that you won't join the forces that sit back and complain. You will improve the situation. I and the rest of the faculty have that kind of faith in you. We know you will do the job.

Class History

It is hard to believe that we were ever 7th and 8th graders, but the school's records prove it. We were the first class to go through six years in Woodstock Union High School. The school took a little getting used to and vice-versa. The building was able to survive the ordeal and so were we. One of our major projects was making a statue for the Winter Carnival. Our critics claimed that "Jack be Nimble" jumping over the candle looked more like an over sized football player trying to kick a field goal. No matter. To us it was close to perfection. Our other major project was a Street Dance.

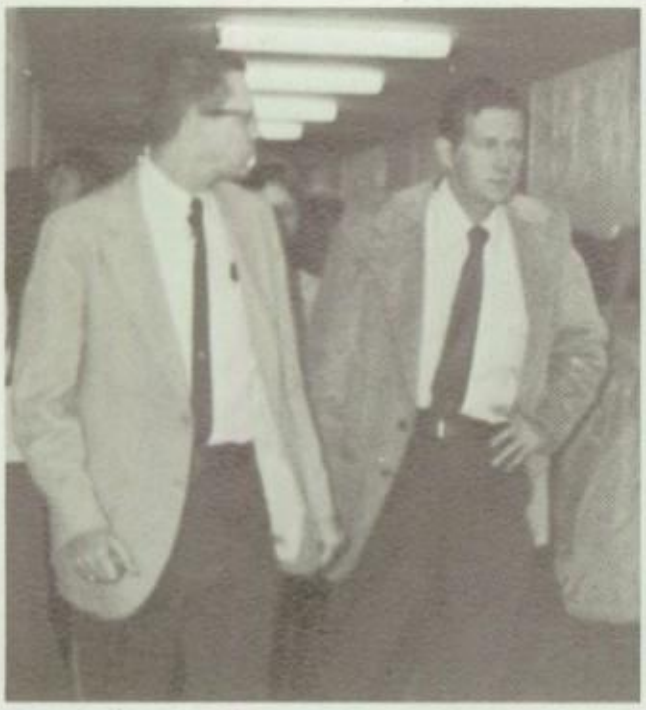
Looking back on our Freshman year can provide us with good memories, and a few bad ones. But one thing you could say for us is that we were ambitious. It was in our Freshman year that we started to amass our fortune. In achieving this goal we stopped at nothing. We had committees for just about everything under the sun. Our dance committee sponsored a Record Hop. We had our first Workday which was so successful that it became a yearly thing. A Hiking Club was formed for the first time in Woodstock Union High's history with the faithful led by Mr. Unger. Our Class Officers were Bill Frick (President), Harriott Meyer (Vice-President), Bob McGee (Secretary), and Jill Shindler (Treasurer). Our Class Advisor was Mrs. Bromley.

During our Sophomore year we continued working and saving. We had two more successful Workdays. The Hiking Club went on two more hikes, one of which was a real killer. The year was successful due to our Class Officers. Our officers were Harriott Meyer (President), Vicki Spaulding (Vice-President), Debbie Marshall (Secretary), and Jill Shindler (Treasurer). Again our patient Advisor was Mrs. Bromley.

As a rule the Junior year is one of the toughest years in High School. Ours proved to be no exception. Financially it was a strain since we had to pay for the Junior Prom, and the Senior Reception. Luckily we had worked hard our Freshman and Sophomore years and our class was fairly secure. Our Prom was one of the best in the history of this school. After much discussion, we titled our Prom "Sunrise, Sunset". Our invitations were designed by Debbie Marshall, and the band was "Fidgety Feet". In the Spring we had the Senior Reception. That year the Hiking Club went on their fourth hike. Our athletic teams were Marble Valley Champs in Football and Basketball. Our Class Officers in this most important year were Bill Frick (President), Kathy Mordhorst (Vice-President), Ginny Frizzell (Secretary), and Donna Chiffriller (Treasurer). All in all our Junior year was very successful, and we were fast becoming though of as one of the best classes to ever go through Woodstock Union High School.

We entered our Senior year working to make ours a better school. With the aid of the Student Council and the Student Senate our Senior year was one of the best years that the school has ever had. On November 30 and December 1 we proudly presented our Senior Play "The Defective Detective". It was both funny and profitable. In the Spring the class had a Senior Buffet and Mr. Unger sadly(?) let us on our last hike. Our Class Officers were Bill Frick (President), Mike Doten (Vice-President), Ginny Frizzell (Secretary), and Donna Chiffriller (Treasurer).

Our Senior year is now over and it is fun to look back, but we must look ahead. Our lives are in front of us and we have gotten a good beginning here at Woodstock Union High. We hop next year's Senior Class will enjoy some of the satisfactions that we have had during our last year.



Remember When . . .?

"Satan finds some mischief yet for idle hands to do" was to too often heard?
Donna and Sue weren't flirting?
Ginny fell in the mud puddle?
Remember Mr. Higgin's fortune at the Chinese Restaurant "There is a girl at loose ends waiting to be tied up."?
Remember Tim the "masher"?
Pete Gatch said "They're men, they have beards" when talking about some kids at the Country School?
Remember the Chicken Fights on the streets of New York?
Remember Jeff Fenner's band?
Elaine wore a skirt?
Remember that fateful corner on Rose Hill, Jon?
Remember Tom Hasson as Igor, and Pete Gatch as Melvin?
Remember "Compleiments of the gang"?
When a group of girls made grinders at Beth's house?
Bill Ehmann ate cupcake wrappers?
Remember the snowball fights after one of our ninth grade dances?
Judy Churchill kissed Jeff Fenner under the mistletoe?
Remember all the arguments at the Junior Prom meetings over the theme song?
Spencer Jackson put tacks in teacher's chairs?
Remember the field trip that we took in 7th grade to Harriott's house?
We had to do speeches in Mrs. Bromley's room?
Mr. Howard said that we could go fishing in Math class?
Remember that short-steep-ascent up Glastenbury mountain?
Remember the Biology field trip?
Remember we liked the Junior High building and were afraid to come down to the big part?
Remember what Don Miner supposedly put in the squirt gun?
Remember Dan Lewis and the water fountain?
Remember Oswald?
Remember when Dan didn't grunt and groan on the Basketball Court?... When?
Jeff Stearns swallowed the mercury?
Remember the joy rides with Jovial up at the pit? And missing the next 2 classes?
Mr. Stires caught 15 kids in the Storage Room, and how quickly it was shut down?

QUARTERFINALS STATE TOURNAMENT
VS. BURR & BURTON 0-0

This year's field hockey team was coached by Miss Childs. The girls had the best record of any girls team in the history of Woodstock Union High. In regular season play they went undefeated. The girls were seeded first in the tournament, but lost the game due to short corners. The co-captains were Harriott Meyer and Gail LeBaron.

Football

The tri-captains for this year's team were Jon West, Bill Frick, and Bryon Staples. This was a rebuilding year for the Wasps with the majority of the team being first and second year players. This inexperience showed at first but the Wasps were soon respected by all as being one of the hardest hitting teams in the Marble Valley League.

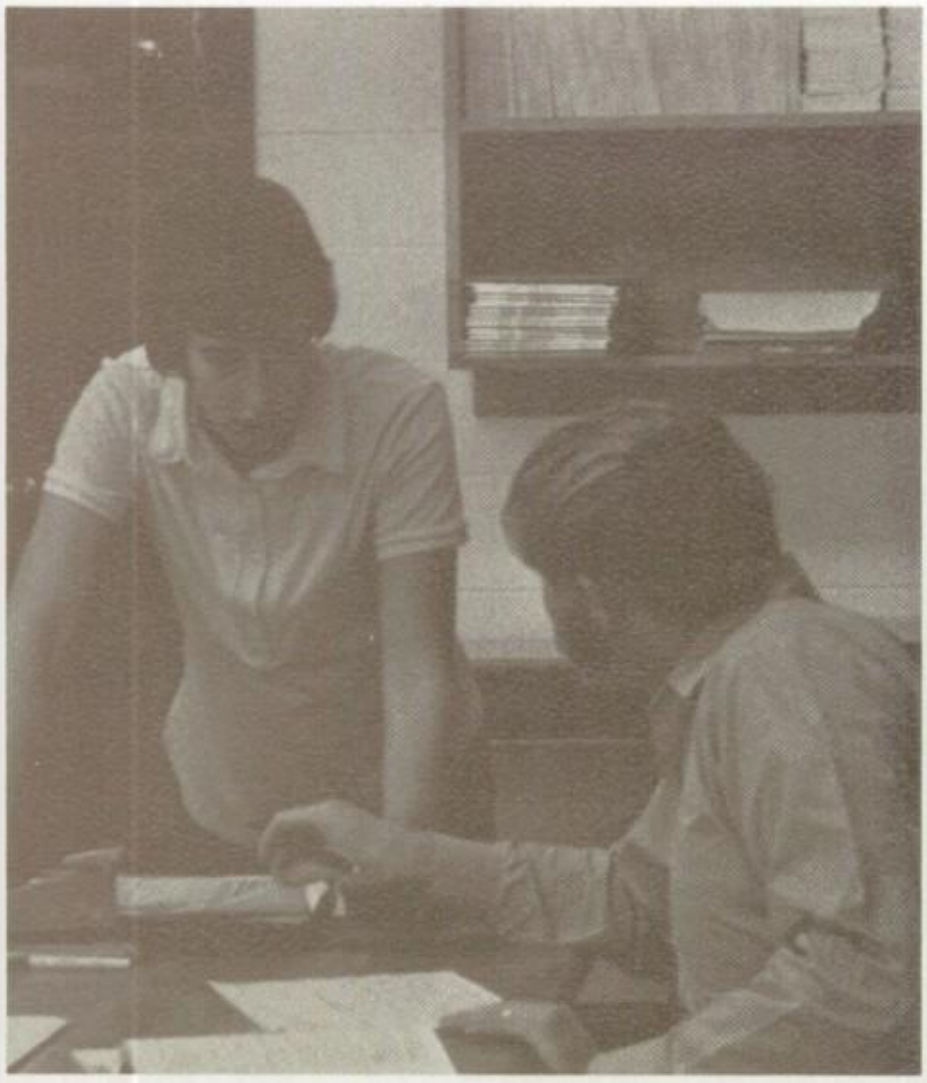
Remember When?

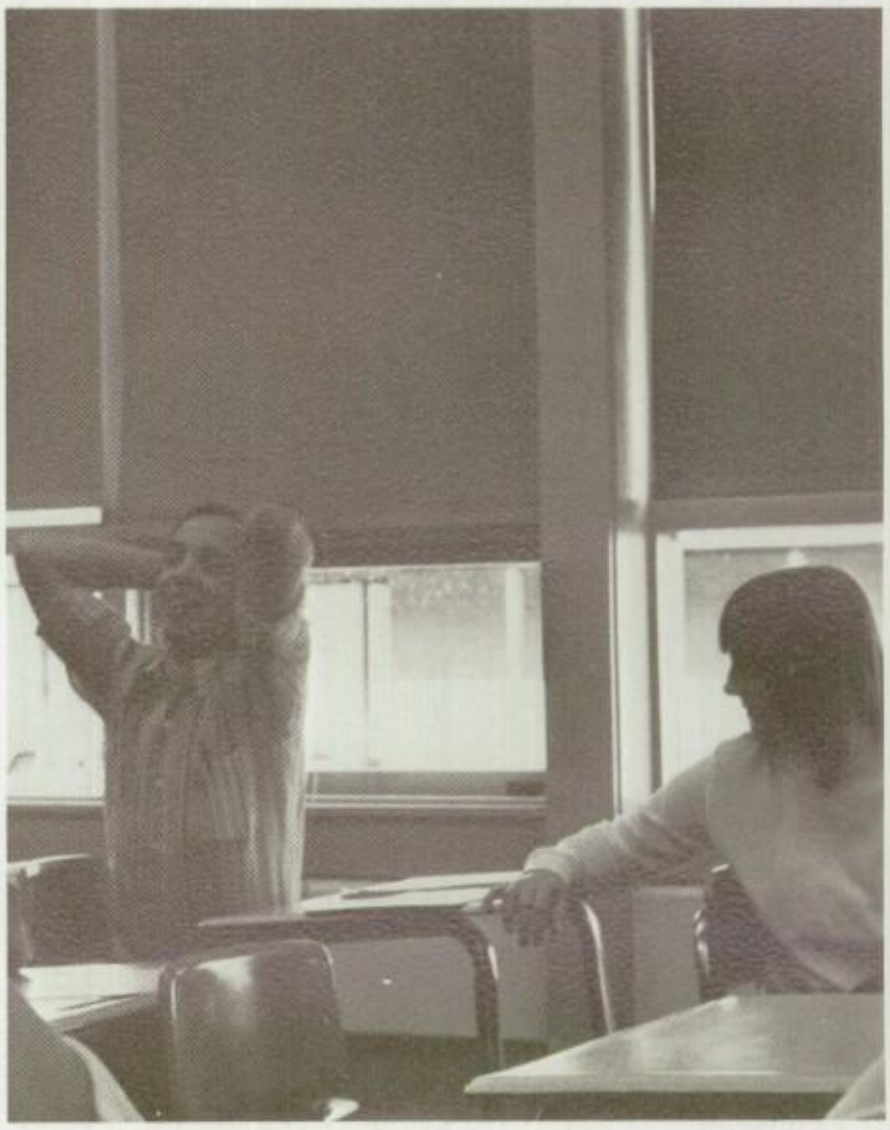
Donna and Sue weren't flirting!

Bob had a cast and a cast...

When Mr. Higgins said he wanted to join the orgy in Room 946?



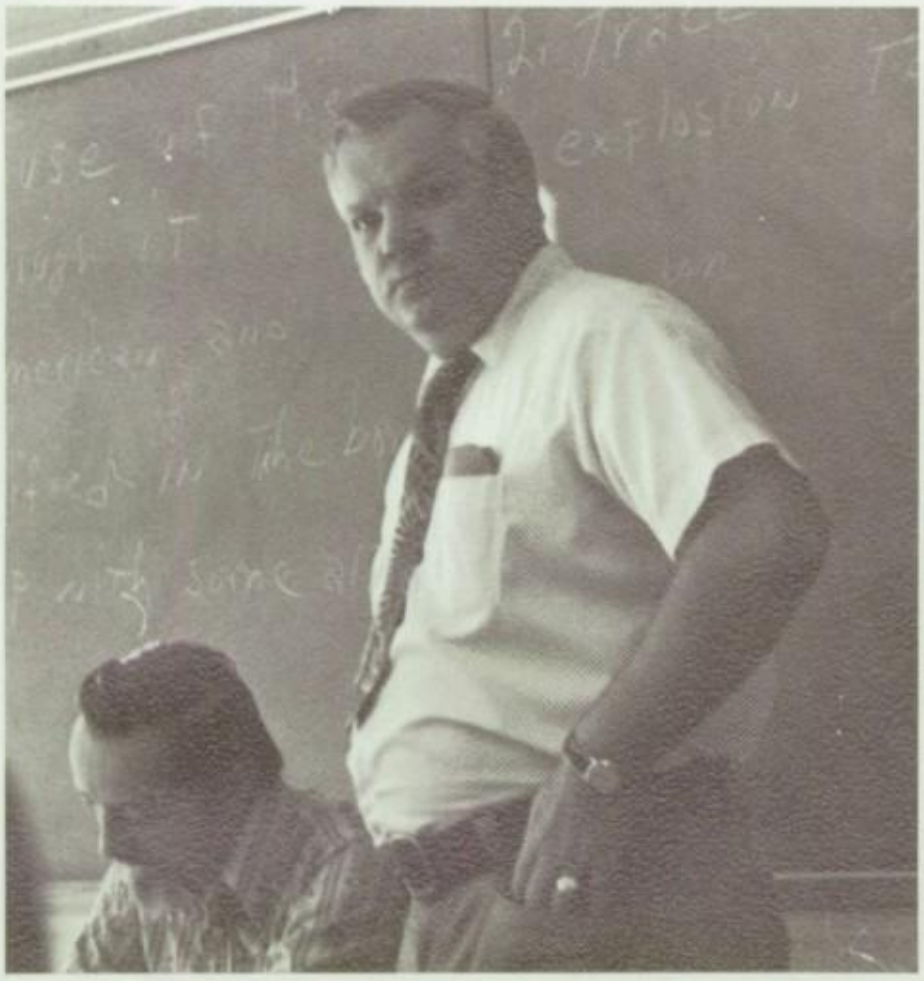
Well, you see, its like this...



The war's over Tom!

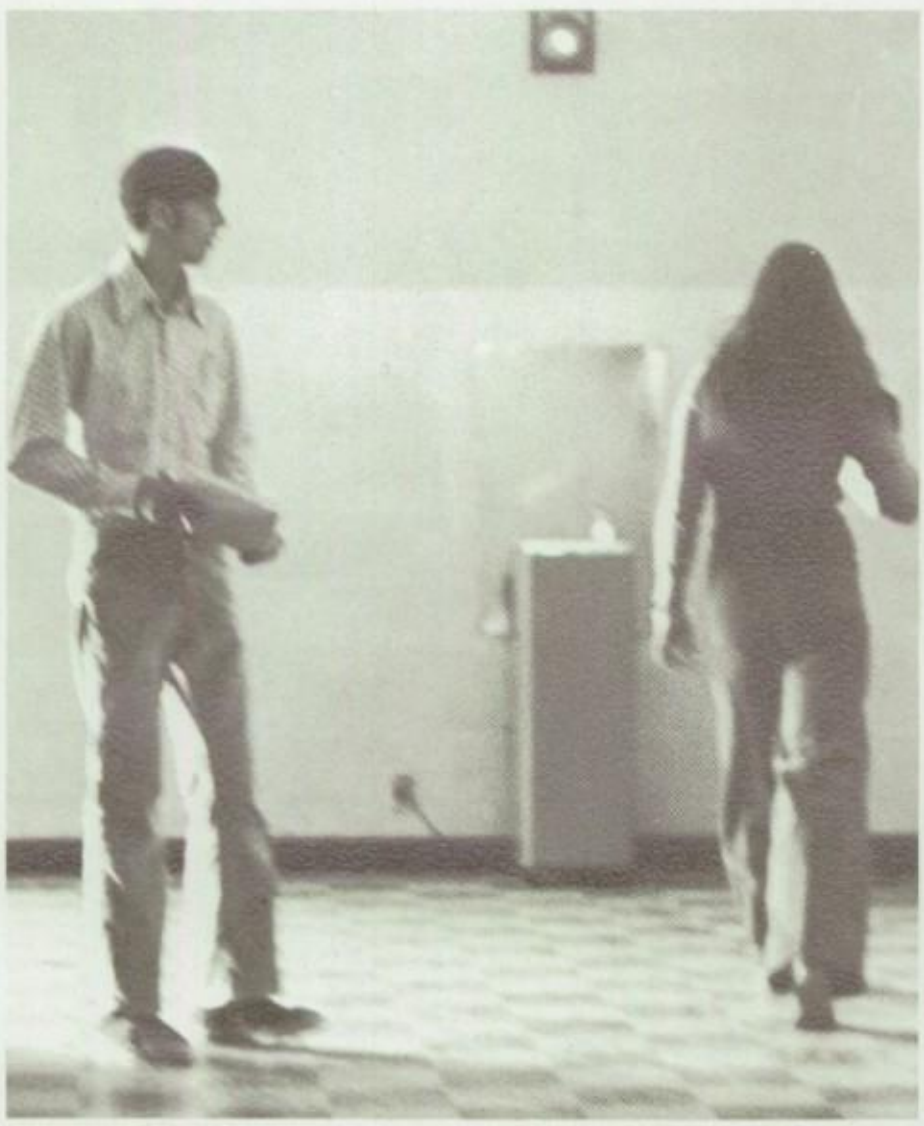
What's the grin about Tom? As if we didn't know!

Gotcha First!



Where you been, cockroach?

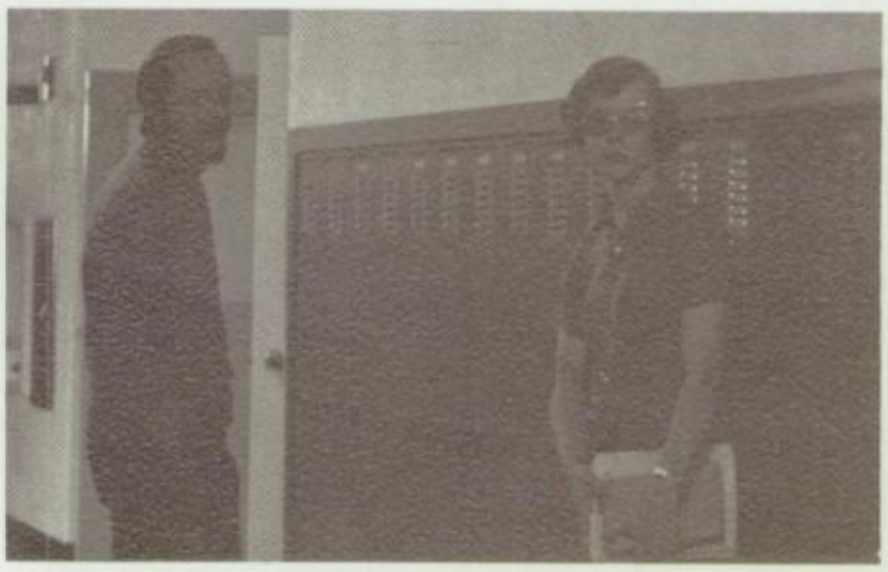
A woman belongs in the kitchen!



Hochee! Hochee!

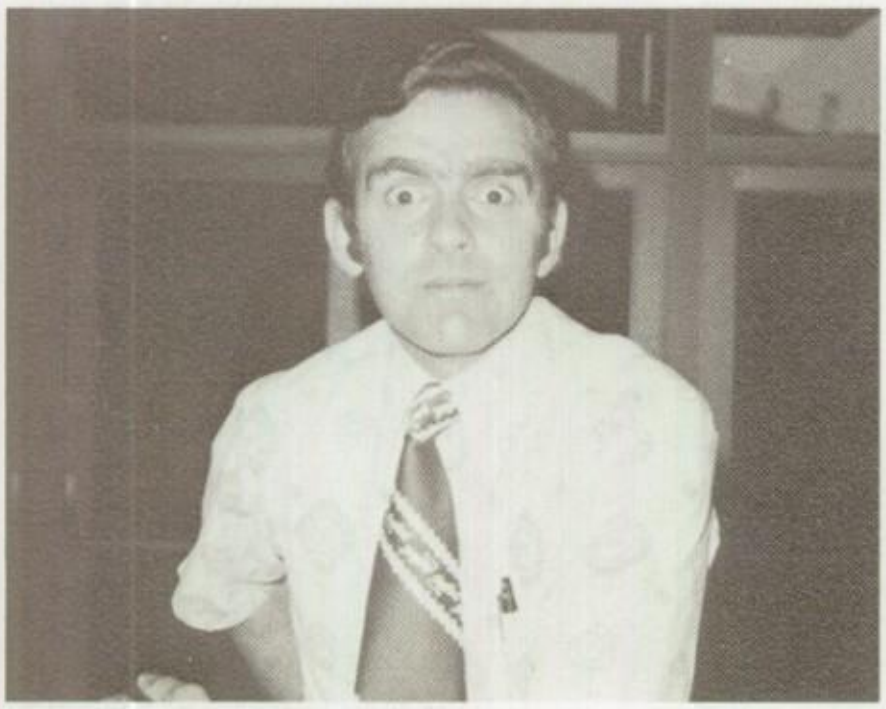
How ya doin', Gorgeous?

Remember when Ginny fell in the mud puddle at the softball game.



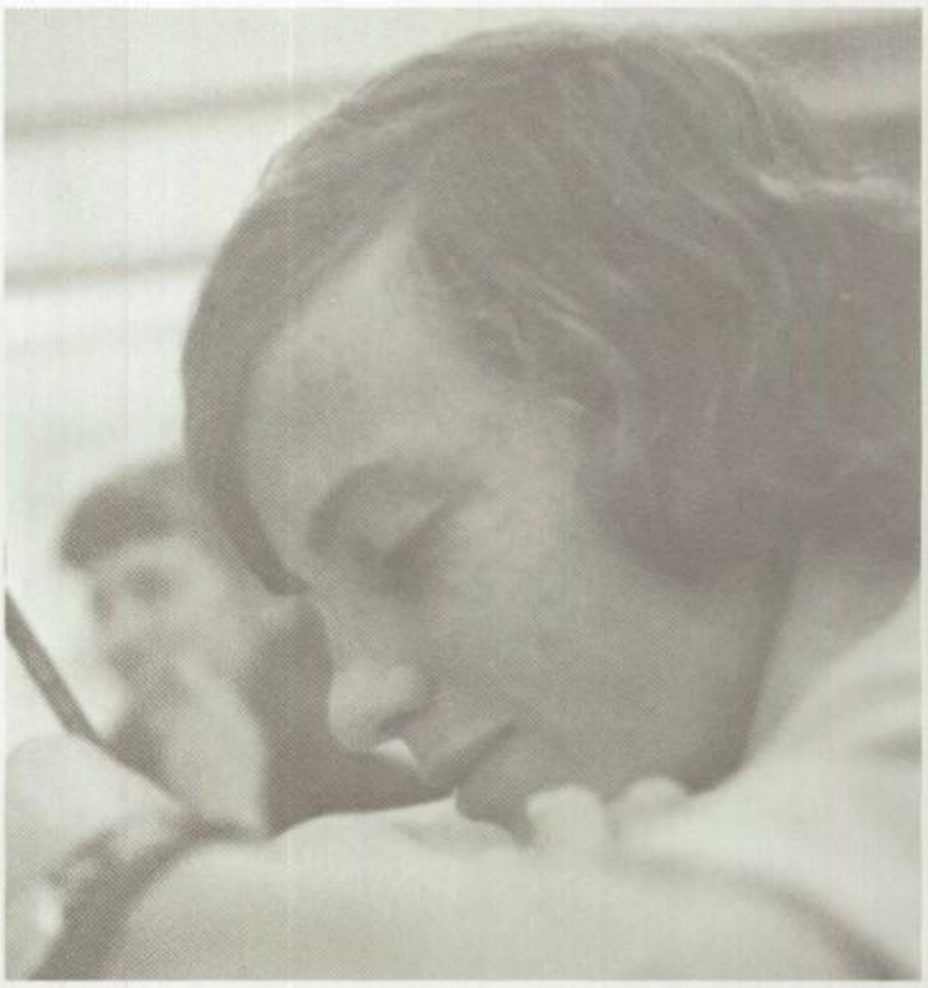
My pass? Well, uh...

God Bob, I'm glad I brought my own lunch!

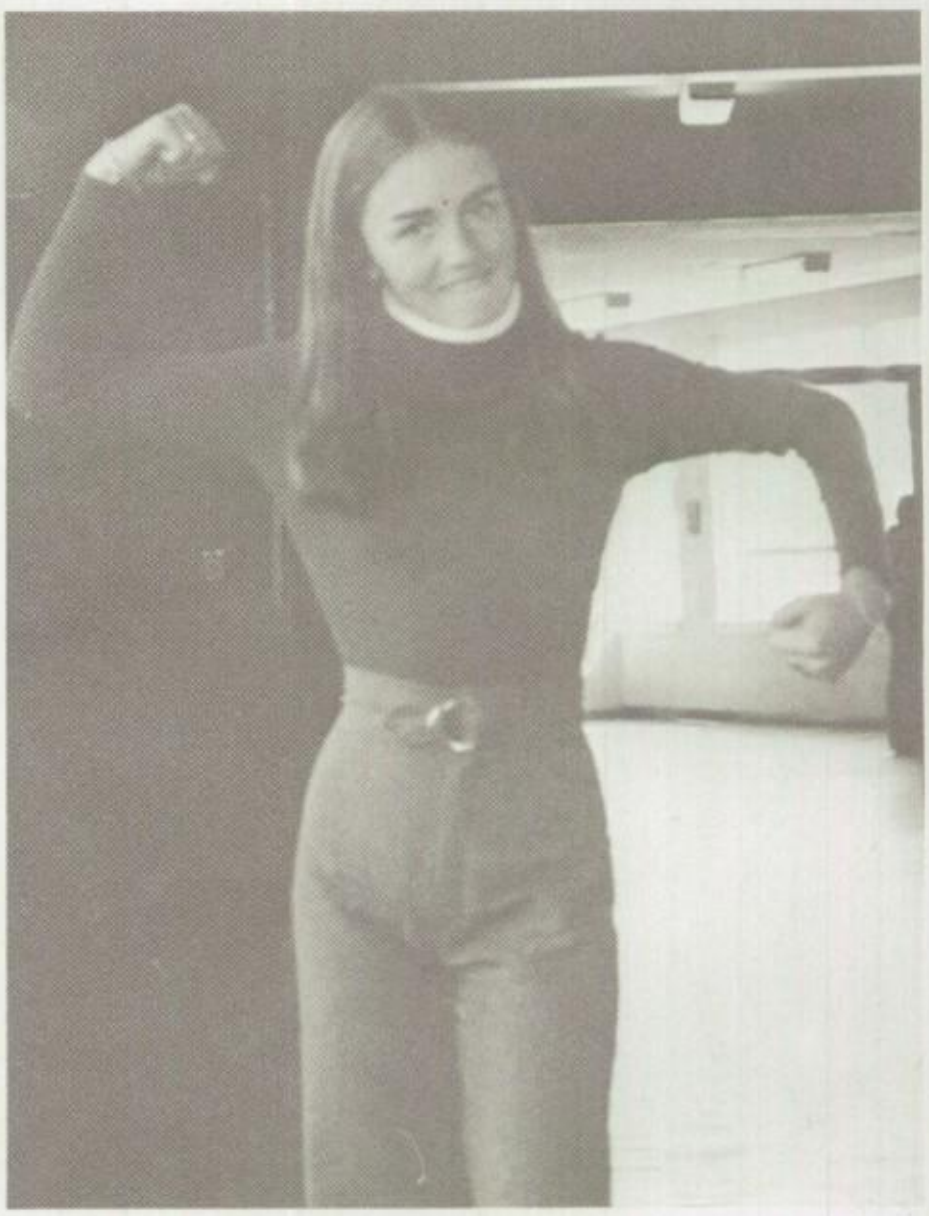


So Ellen's got to you after all!!!

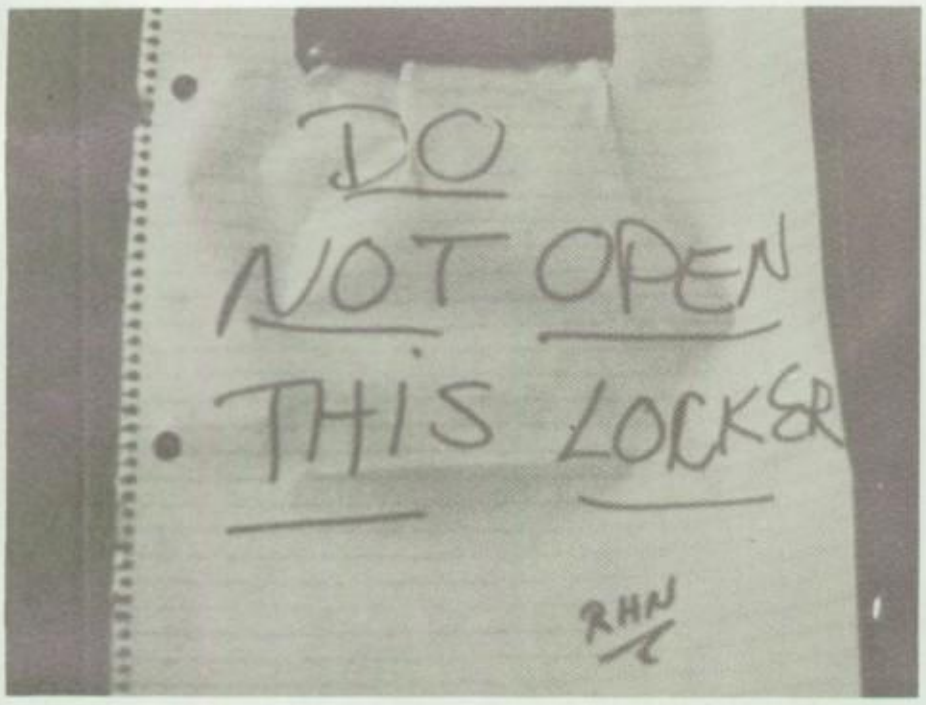
Extra curricular activities??



How do I love thee? Let me count the ways!

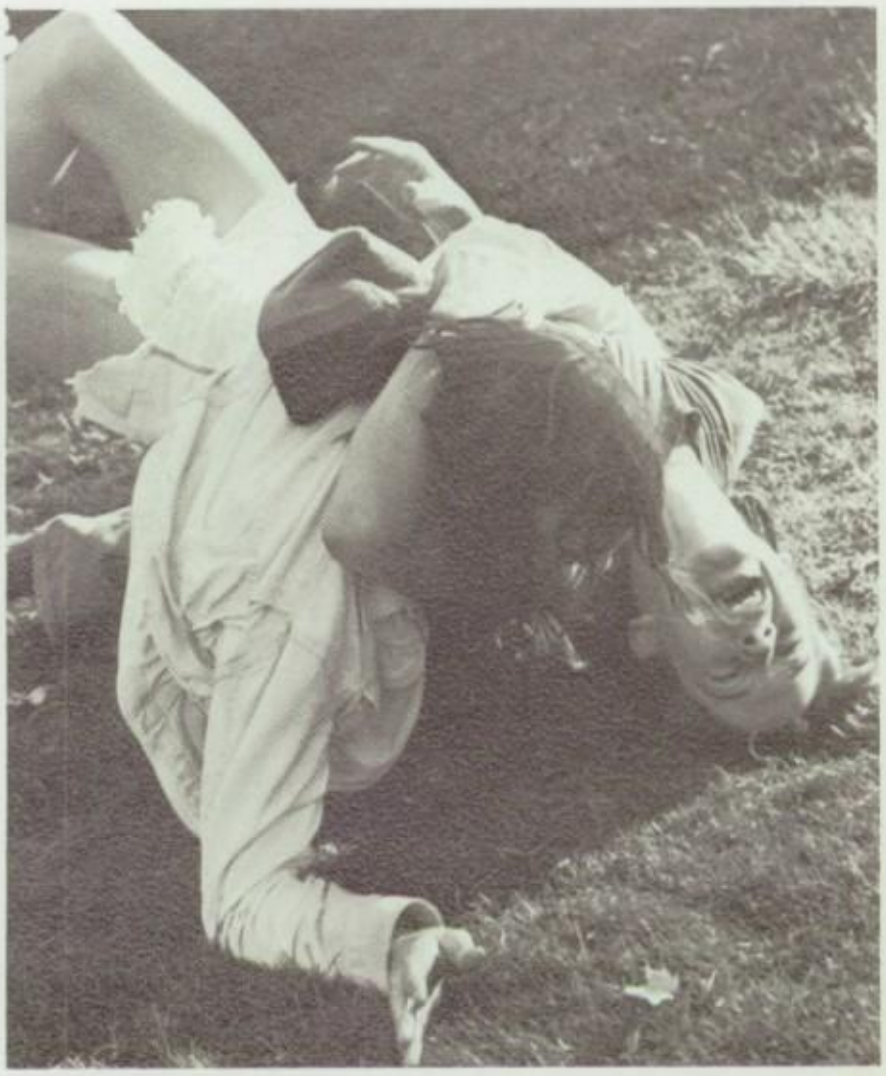


Have you noticed the improvement since I took the Charles Atlas Body Building course?

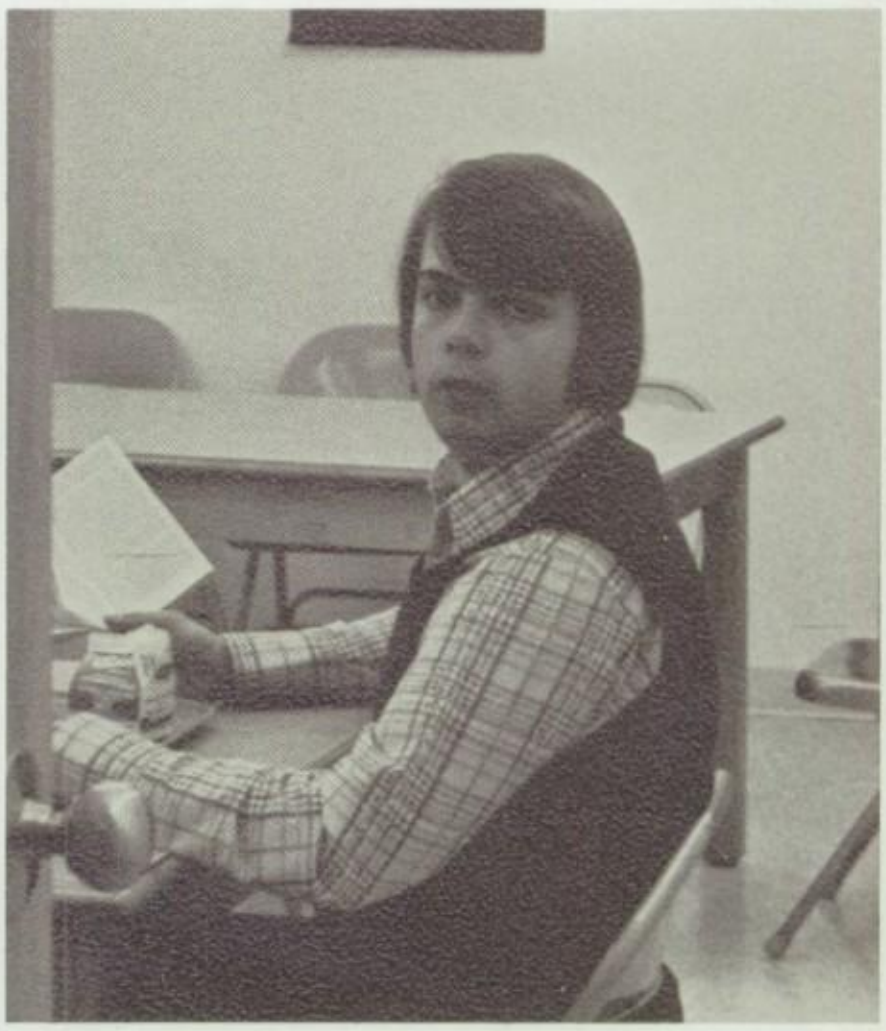


School can be pretty interesting can't it, Doug?

You did WHAT to your typewriter?



Kiss me, you fool!



What's your problem?

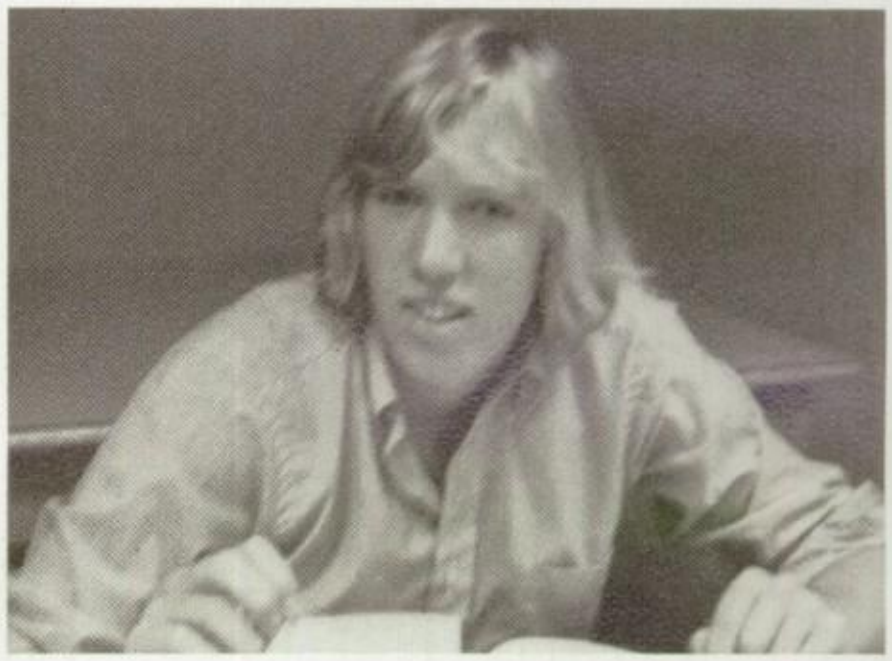
Remember when you could see Jon West's ears.

Measuring your I.Q. Jeff?

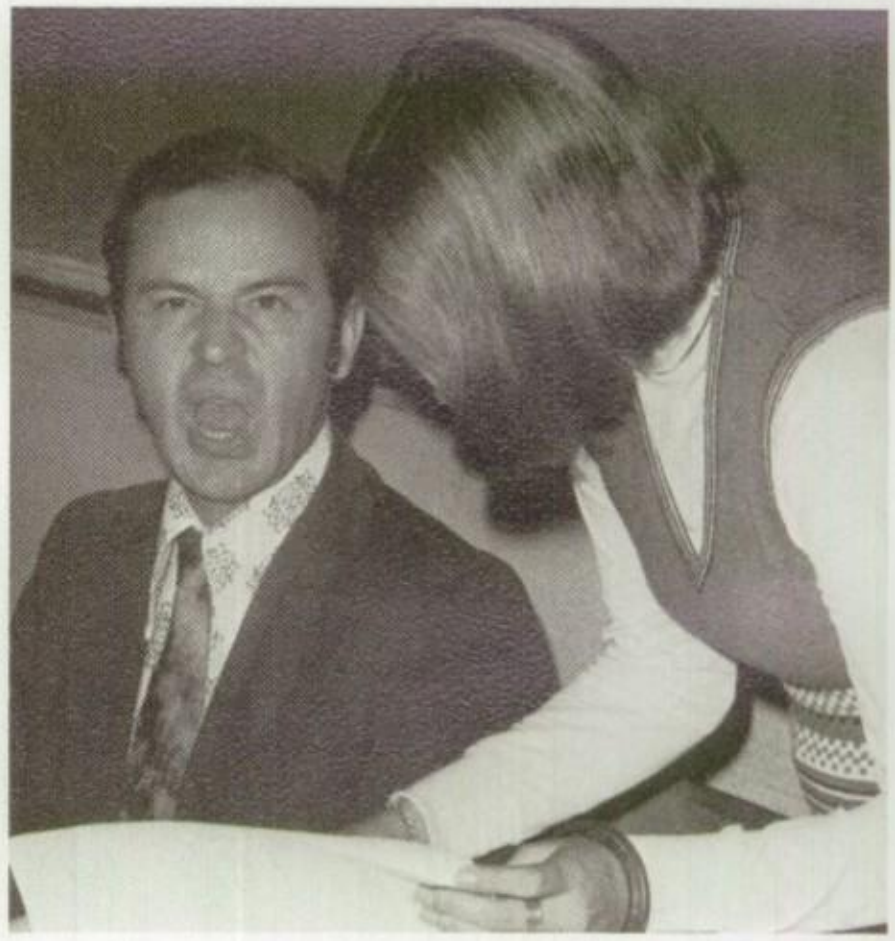
My dog's bigger than your dog.

This class is a thrill a minute!

Redheads do have more fun!



Can't you just see the halo?



Must've been some paper, Donna!

Deb.
This year is done
and over. We have had
some good times, up to Lanies
house with those tacos and Cardin
singing his 49ers! Or up to your house

to Anna's to go to a dance. Its been
fun being friends this year, we
have done more together in a
way. Have fun this summer
at the beach. How couldn't you
Take care and be caufull in
